**Travel by Bike**

There are many ways of traveling. People may travel by plane if they want to travel far and reach their destination in a shorter time. It is the most comfortable but expensive way. Most people travel by train because it is a less expensive way but the compartments are cramped and stuffy. Bus journey is a cheaper way but it is spent on narrow, bumpy roads which are crowded with traffic. Trips by ship may be the cheapest and most comfortable way but it takes too much time.

I like traveling by bike. I can set out when I like and stop when I like. I can go wherever I like so that I can enjoy delightful spots rarely visited by other travelers. When I feel tired, I sit down by the bike and have a good rest. Besides, I can save much money for tickets and much time in waiting for the train or bus. I can cover more places by riding a bike than going on foot.

Traveling by bike is good to health. It is really a sort of good exercise to strengthen one's muscles and to test one's will. Moreover, it brings no pollution to the air. So it helps to clean the atmosphere.

**Short Conversation**

1. M: After high school, I'd like to go to college and major in business administration.

W: But I'd rather spend my college days finding out how children learn.

Q: What do we learn from the conversation?

2. W: Is everything ready for the conference?

M: The only thing left to do is set up the microphones and speakers. They'll be here in a few minutes.

Q: What preparations have yet to be made?

3. W: Is it almost time to go home now? I'm so tired. I can hardly see straight.

M: Just a few more minutes, then we can go.

Q: What is the woman's problem?

4.W: I'm not sure what I'm in a mood for. Ice-cream or sandwiches? They are both really good here.

M: The movie starts in an hour. And we still have to get there and park. So just make a decision.

Q: What does the man mean?

5.W: Tom said he would come to repair our solar heater when he has time.

M: He often says he is willing to help, but he never seems to have time.

Q: What does the man imply about Tom?

6.W: So you know that Sam turns down the job offered by the travel agency.

M: Yes. The hours were convenient. But if he had accepted it, he wouldn't be able to make ends meet.

Q: What do we learn from the conversation?

7.M: Could you tell me a bit about the business your company is doing?

W: We mainly deal with large volume buyers from western countries and our products have been well received.

Q: What business is the woman's company doing?

8.W: Yesterday I made reservations for my trip to Miami next month.

M: You must really be looking forward to it. You haven't had any time off for at least two years.

Q: What is the woman going to do?

### Long Conversation One

M: Excuse me, I need some information about some of the towns near here.

W: What would you like to know?

M: Well, first, I'd like directions to go to Norwalk. I believe there is an interesting museum there. It isn't far, is it?

W: No, not at all. Norwalk is about eighteen miles east of here on Route 7. And you're right. It's a wonderful little museum.

M: Oh good. Now what about Amitsville? I have some friends. I'd like to visit there and I also want to get to Newton. They are near each other, aren't they?

W: Hmm... well, they are actually in opposite directions. Amitsville is northeast. It's about thirty five miles northeast of here.

M: Huh-uh, thirty five miles northeast. And how about Newton?

W: Well, Newton is in the other direction. It's southwest, so it isn't really very close to Amitsville at all and it's a long drive. It's about fifty five miles southwest from here and the road is not at all straight.

M: Fifty five miles southwest! Well, maybe I won't go there this time.

W: I'd recommend visiting Westfield or Great Town. They are both very close. Westfield is just seven miles west of here and Great Town is about five miles south. They are really pretty little towns with lots of old houses and beautiful tree-lined streets.

M: I see. Seven miles west to Westfield and five miles south to Great Town. Good. Well, I think that's all the information I need for a while. Thank you. You've been very helpful.

W: You're welcome, sir. I hope you enjoy your stay.

### Long Conversation Two

M: Err... Sandra, I've finished with Mr. Gordon now. Do you think you could pop through in bringing me up-to-date on their arrangements for the Italian trip?

W: Certainly, Mr. Wilkinson. I'll bring everything with me.

M: Right, take a seat. Now my first meeting is when?

W: Your first meeting is on Monday the 21st at 9 a.m. with Dr. Gucci of Bancos en Piedra in Milan.

M: OK, so can I fly out early Monday morning?

W: Well, there is a flight to Lenarty Airport which leaves at six thirty London time and gets in at eight thirty Italian time.

M: Yeah, but that only leaves me thirty minutes to clear customs in getting to the city center and it means I have to check in by five thirty, which means leaving home at about four fifteen.

W: I'm afraid so.

M: Hmm... not so keen on that. What's the program for the rest of that day?

W: It's quite full, I'm afraid. At eleven, you're seeing Jeana Rivard at Meg Star and then you'll have a lunch engagement with Gaven from the Chamber of Commerce at one.

M: Where's that?

W: You're meeting him at his office and then he's taking you somewhere.

M: Good, that sounds fine. What about the afternoon?

W: Well, at three thirty, you're seeing our sales representative there and then you're free till evening.

M: I see. I seem to remember that I'm having a dinner with someone from Bergamo.

and pursue hobbies is important. People need time away from the pressures of study or work to relax and enjoy time with friends and family. In many countries free time is spent in different ways. The results of a Harry's pool showed that reading was the most popular spare time activity in the US. This was followed by watching TV. In a UK survey on leisure time activities, watching TV and videos was the most popular. Listening to the radio came second. In a similar survey conducted in Japan, the most popular free time activity was eating out. The second most popular activity was driving. There were also differences in the most popular outdoor pursuits between the three countries. The most popular outdoor activity for Americans was gardening. In the UK, it was going to the pub. In Japan, going to bars ranked eighth in popularity and gardening ranked ninth. Although people around the world may enjoy doing similar things in their free time, there's evidence to suggest that these interests are changing. In the US, for example, the popularity of computer activities is increasing. Many more people in the States are spending their free time surfing the web, emailing friends or playing games online.

Further evidence of Mclocklin's irresponsibility occurred on May 6th when he was returning from his shift. That day he ran into a roll-up door at the Lummis facility in Valero, causing significant damage to the door. Damage to the truck, however, was minor. Finally, on June 7th, Mclocklin once again demonstrated his carelessness by knocking down several mail boxes near the edge of the company's parking lot. There was damage to the mailboxes and minor damage to the truck. Mr. David Rossi stated that he had spoken with Mclocklin on several occasions about his driving record.
